Winter Weather Policy

With all the upgrades to our technology due to the COVID pandemic, we're going to be adapting our winter weather policy. Previously, our plan was to have in-person services as long as there was no state of emergency. In the case of severe weather (ice storms, heavy snowfalls), we will pivot to online services using Zoom, Youtube and the website. Notification will be through email and posted on the website, and we will do everything we can to post an update by 7:30am on the day.

Nursery Ministry

Nursery is available for children ages 0-3. A cry room is also available in the back of the sanctuary if you would rather keep your child in the worship gathering but need a private spot at times.
