Always be in prayer for the work of the gospel through our congregation. Where there are doors for ministry, there are challenges and roadblocks – both manmade and supernatural (1 Cor 6:19, 2 Cor 2:12, Col 4:3). Pray for one another and yourself that you will be strengthened in ministry, both inside and outside the congregation.

- Ray and Brenda Brown's son-in-law **Tim's** doctors adjusted his medications after his seizure and he saw his neurologist this week. Next week he is to have an MRI and see his neurosurgeon (who removed his brain tumor in March).
- Nichole DiVietro's friend **Tony Molica** was dealing with respiratory issues with COVID-19 and was on oxygen at home. He is now on the mend and doing better.
- Lucy Strawbridge's son's father in law, **Joe**, is having liver problems.
- Janet Wittenberg's father** passed away. Keep Janet and the entire family in prayer.
- Steve Allan** was in a car accident and was pretty beat up but ok. Heidi said the seat belt probably saved his life.
- Shannon Ouellette's** mother passed away. Keep Shannon and her family in prayer.
- Richard Lawler** had tests for kidney issues. Lucia is overwhelmed.

GLOBAL MINISTRIES

- Birch & Connie Champeon (BI) – Pray for the remaining team members, as they try to find new people after losing 2 members to death. Pray for protection for the team, as they are under attack. Ask God to raise up suitable candidates for empty positions. Pray current projects continue, despite discouraging temporary breaks.
- Jason & Mandy Post (Ireland) – The prime minister has advised that the time has come to move towards combining public health advice, personal behavior, judgement, and responsibility. The Posts will try to live out the Gospel to those around the people of Ireland, showing grace to people on all parts of the freedom/restrictions spectrum. Mandy asked for prayer for everyone in Ireland about adjustments ahead.
- Greg & Asa Swenson (Japan) – Pray: follow up from summer VBS, Asa's stateside trip, wisdom in adjusting to changing covid conditions, growth for new believers, development of leaders in the congregation, workers for kids programs, and that the Swensons would make the most of opportunities.
- Ralph & Sandra Thompson – Pray: prayer walks starting up again in Boston, a new home Bible study, and Zoom training for a couple assigned to a closed country.
- Mike Knight (Namibia) – The youth December ST missions team is learning how to raise support.

PRISON MINISTRY REQUESTS

The women share personal prayer requests, and while we will never meet most of them, it is still important that we be praying for them, as this ministry is an out of the way but still important part of our congregation's work.

The following are the ladies prayer requests:

- Sarah: Thankful for the success of the first day of the "Choose Love" study; thankful that she will be able to put in for earned time credit for a course she took that will enable her to be released sooner; thanks God for the reconciliation of her and her brother after more than 8 years of not speaking to each other.

Hebrews 10:34 *For you had compassion on those in prison...*
