

## Quick Facts about the Bible

The most recent books of the Bible are still nearly 2,000 years old! The oldest is more than 3,000 years old. There are thousands of manuscripts, making the Bible the most copied text of human history by an *enormous* margin. There are 20 million printed copies sold in the US *every year*, and more than 2 billion printed copies in just the US.

## The Big Idea:

---

Nursery is provided 9:30-11:30am for children ages 0-3.  
Our children's ministry (God's Backyard) is on a summer hiatus.  
We will be doing a "soft opening" of the updated program in August,  
with the full program returning on September 10.
