Facility Update

Due to the growth of our family ministries, we are in the process of relocating the nursery from the back building to directly downstairs from the sanctuary. The change will allow us to have designated spaces for infants and toddlers, since the age groups have different care requirements. We will be making a small change to the age groups for nursery and children's church this fall.

Along with this move, we will be relocating the youth center to the current nursery location. This will free up a new multi-purpose "quiet" room, which will be available for personal and small group study as well as team meetings.

Our weekly Bible studies have outgrown the room we were using, so they will be relocated to the fellowship hall. We are in the process of mitigating the echo in the fellowship hall to make the room more conducive for study.

Thank you for your time and patience as we adapt our space to the growing needs of the congregation.
