BENEDICTION

This morning, the music is presented by "The Guitar Choir." This is an ad hoc assembly meant to be a bit unpolished. We invite you to sign out on these familiar songs, and in the case of the first song, do the motions if you know them!

ACCIDENTAL HEALING?

The Exiled King, Part 31: Matthew 9:18-26

DISCUSSION QUESTIONS:

- Spend some time reflecting on the desperation of the woman who reached out to touch Jesus. What words would describe her faith?
- Why did the disciples question Jesus's knowing something had happened? Contrast their view of Jesus to that of the woman he healed.
