## MESSAGE FROM THE SCRIPTURES

## IS THE CHURCH A PRODUCT OR A PROCESS?

Our world is a world of products. You cannot turn on your TV without being bombarded by the next best thing of every possible category. When the world is full of products, we become consumers rather than communities. We forget that the best things take time and energy, connection and belief. The Spirit of God at work does not yield products.

**DISCIPLES ARE GROWN, NOT MANUFACTURED.**
